I usually meet my friends down at the multiplex on a Saturday and we decide what to watch. There's always something new out that we want to see. Luckily, we have the same taste and don't spend too long deciding. I enjoy talking about it afterwards – the special effects, the acting and so on. It's my favourite pastime!

51

I'm crazy about all the new gadgets that come out. I spend most of my free time shopping or surfing the Internet to check out the prices. The trouble is, nothing stays new for very long and you have to upgrade all the time. My mum says I spend too much on things I don't need. I can't help it – it's my passion. It's so exciting to keep up with the latest trends!

52

I have always been a very active person, always trying new sports and spending my time keeping fit. I enjoy sport not only because it is healthy but also because it is a good way to meet people. I'm really into mountain biking at the moment and so I spend most weekends on trips. We sleep out in tents – it's cool!

53

I spend a lot of my time shopping. I like to shop on my own or with my friends and most of my money is spent on clothes. But I am very careful with what I buy. I always spend time window shopping first and make

sure I am getting a good price. It's brilliant when you find a really nice top, and everyone thinks you paid a fortune for it, when in fact it cost you next to nothing!

54

You might think it strange that I spend so much time at the dog training centre. Most people my age are more interested in clubbing or hanging out at the mall. But it's great to work with animals. My dog, Roy, has become so obedient now and I have helped my neighbour's dog as well. It started out as a hobby, but who knows? I might decide to do it as a career.

55

Running errands for people is what I enjoy doing most. I usually help my grandma on a Saturday with her shopping and sometimes do some gardening too. There's always something that you can do to help people. It doesn't have to be a big job that takes up all your time – even the small things can make a difference. I never take money for the work I do. I do it because I want to help.

56

Seeing bands on TV or listening to recordings just isn't the same. You really need to hear it live. I love to go and listen to my favourite bands and often travel long distances to see them. Sometimes I drive down to London with some friends or I go for a weekend break and fly down. My favourite has got to be the Glastonbury Festival. There you can hear the best music around.

Reading

H You are going to read a magazine article in which four people talk about their neighbours. For questions 39–44, choose from the people A–D. A person may be chosen more than once.

A ALEX

They say "good fences make good neighbours", but this doesn't apply in Mrs Beasley's case. Edwina Beasley has managed to find a way of sticking her busybody nose into my business, though I barely speak a word to her when she starts asking me personal things. She's even taken it upon herself to find me a wife! Imagine my shock, when she knocked on my door last Sunday, in the company of a woman I'd never seen before and told me: "This is Mary Allen, dear. I'm sure you two have a lot in common, so I'll let you get to know each other." And then she left, almost certain that Mary Allen and I will name our first child after her!

C LUCY

The truth is I grew up to believe that our neighbours were also our friends, all of us sharing our joys and sorrows as they presented themselves in our small but closely-knit community. Unfortunately, this was not the case in the big city I moved to. I realised that trying to be friends with your neighbours and be there for them in times of need was not always welcome when my next-door neighbour told me to mind my own business and stop trying to control other people's lives. All I had done was knock on her door to see if she was alright on a night I'd heard her crying out loudly!

B HELEN

Don't get me wrong, I love animals. Be it feathered, furry, two-legged or crawling, I simply adore all creatures. Except one: Mr Watson's poodle, Lulu. Though Mr Watson is a great neighbour, Lulu gets on my nerves so much that I'm seriously thinking of kidnapping her and secretly replacing her with a more tolerable look-alike. Not only does Lulu steal my newspaper every morning, she is also very selective with my friends. Whenever I have friends over that she doesn't like, she will stand outside my door barking or howling for hours if Mr Watson isn't home to come and pick her up. I know you're supposed to "love thy neighbour", but do you have to love his dog too?

D CHRIS

I know you can't really choose your neighbours, but I thought that I had chosen the right ones when I decided to move to a nice, peaceful street where mostly elderly people resided. What I hadn't thought of was that these wonderful, friendly people, who mostly kept to themselves, had children and noisy grandchildren who visited on Sunday mornings. Worst of all, what I didn't know was that the same, seemingly quiet senior citizens would be having band practice every Saturday morning in the house right next to mine. I'm really having second thoughts about this neighbourhood!

Which person

- | | | | | | |
|----|---|-------|----|--|-------|
| 39 | was misunderstood by a neighbour? | | 42 | has a neighbour who interferes in their social life? | |
| 40 | seems more likely to move somewhere else? | | 43 | got something different to what they expected? | |
| 41 | has a problem which is not directly related to their neighbour? | | 44 | had to get used to a new reality? | |

The Lowdown on Bullies!

At some point in our lives many of us will have to deal with a bully. Yet bullies are not all the same. To be able to handle such a threat, it is important to know what kind of person you are dealing with.

The most dangerous and common bully is the aggressive one. Aggressive bullies use the fear of violence to control others. Unfortunately, it doesn't stop there. They are known to quickly lose their temper and harm the victims without ever feeling sorry for them. When faced with such a person, immediately tell a parent or teacher. Furthermore, stay in public places and amongst others for safety. Some people even learn self-defence to protect themselves against this kind of bully. However, violence is not the answer, as it leads to even more violence.

Next, are the verbal bullies. They attack with words and are only happy when others feel hurt. So when an unkind joke is made, show as little reaction as possible and just walk away. Remember, you cannot talk sense to an unreasonable person. And, above all, never make jokes about yourself to prove that nothing can hurt you. This will only encourage them.

Last, is the computer bully. The best way to deal with this menace is by deleting their messages. Do not read anything they write and never send a reply. When faced with such a person, it is wise to seriously consider a change of email address.

Keep in mind that bullies are simply people who envy the talents of their victims. The only way they can feel powerful is by putting others down. Therefore, never listen to anything they have to say!

39 Aggressive bullies later regret hurting someone.

40 When dealing with an aggressive bully, seek the help of an adult.

41 Humour will keep verbal bullies away.

42 One way to deal with computer bullies is to report them to the police.

43 Computer bullies use very advanced technology.

44 Bullies are jealous of what other people are good at.

Neighbourhood Watch is one of the most successful crime prevention programmes ever. It was first set up in the UK in 1982. The scheme encourages neighbours in specific areas to work together by watching each other's properties and raising an alarm when they notice anything suspicious. Since the scheme began, crime has reduced dramatically. Today, Neighbourhood Watch includes 10 million residents, making it the largest voluntary organisation in the UK.

40

The **Help the Aged** charity began in 1961 and is now a leading international charity for the elderly. The focus of the charity is to help senior citizens and ensure they do not suffer from poverty and neglect. They also offer a free home security service for all older people in the country. For this purpose, the charity raises money through its 370 charity shops all over the UK that sell second-hand items.

41

The **Suzy Lamplugh Trust** was established in 1986 and has grown considerably over the past twenty years. The purpose of the trust has always been to promote personal protection. The trust offers advice and guidance on how to stay away from aggressive incidents and avoid dangerous situations. It offers its services to anyone, from big companies to young children and the elderly.

42

The **Card Watch** agency raises awareness about credit card fraud in the UK. The agency provides information and advice to prevent the illegal use of all bank cards. It does this by working closely with shop owners and the police in reducing bank card fraud. The agency can also provide training for anybody who works on a cash register or handles payments. Its useful website is full of tips on how to avoid being the victim of credit card fraud.

43

Kidscape is the first charity in the UK which works towards keeping children away from danger. The charity was set up in 1984 by Dr Michelle Elliot, a mother herself. So far over 2 million children have attended a programme the charity runs which teaches children how to avoid risky situations and also how to defend themselves if they are ever at risk. Children can also learn how to deal with bullies and what to do when a stranger approaches them.

44

Streetwise Safety Centre is an award-winning safety education centre. The centre looks like a real village, but in fact, it is an artificial village inside a large warehouse. The area consists of a house, a street, a park, a farmyard, a railway track and a beach. In the village children are taught to be more aware in all aspects of their lives, from catching a bus to walking home at night. Skilled teachers work with young people so that they can have a first-hand, realistic experience of what it is like to be a victim of a crime.
